

16th Africa Regional Assembly and Conference

General Information

About Nigeria: Nigeria is a vibrant and diverse country located in West Africa. It is the most populous country in Africa and known for its rich culture, diverse landscapes, and a vibrant mix of ethnicities. With a mix of traditional and modern influences, Nigeria offers visitors a unique and dynamic experience.

Venue: The conference venue will be at Abuja Continental Hotel. Located in the heart of Nigeria's capital city, Abuja, it offers world-class amenities and a central location for easy access to other parts of the city.

Map to Abuja Continental Hotel from Nnamdi Azikiwe International Airport : Abuja Continental is only 40 minutes' drive away from Nnamdi Azikiwe International Airport and in close proximity to the Federal Secretariat and the International Conference Center. [VIEW IN GOOGLE MAPS](#)

Visa Application for Nigeria: Most travelers to Nigeria require a visa for entry. You can apply for a Nigerian visa at the Nigerian embassy or consulate in your home country. Visit the official website of the [Nigerian Immigration Service](#) for the most up-to-date visa application requirements and procedures.

Vaccine Information Requirements: Before traveling to Nigeria, make sure to check the latest COVID-19 travel requirements and vaccination guidelines as they are subject to change. Check the [Nigerian International Travel Portal](#) for the most up-to-date information.

Languages: Nigeria is a linguistically diverse nation, with over 500 ethnic groups and languages spoken. However, English is the official language and is widely used for business, government communication, and education.

Meals during the conference: The hotel will provide mid-morning and afternoon tea/coffee, lunch and conference stationery.

Currency: The currency in Nigeria is the Nigerian Naira (NGN). ATMs are widely available, and credit cards are accepted in many hotels and larger businesses. It's advisable to carry some cash for small purchases.

Nigeria's International Dialing Code The international dialing code for Nigeria is +234. When making international calls to Nigeria, remember to dial this code before the local number.

Time in Nigeria: Nigeria operates on West Africa Time (WAT), which is UTC+1. Note that Nigeria does not observe daylight saving time.

Electricity in Nigeria: is based on English standards usually supplied at 230Volts, 50Hz. Wall sockets use a 3-pin fused plug, which necessitates the use of travel adapters for people with different specifications.

Weather: Nigeria's climate varies depending on the region, but generally, it experiences a tropical climate with a wet and dry season. The dry season typically runs from November to March, while the wet season is from April to October. Check the [weather forecast](#) closer to your travel date to pack accordingly.
